The mission of the American Business Women's Association is to bring together businesswomen of diverse occupations and to provide opportunities for them to help themselves and others grow personally and professionally through leadership, education, networking support, and national recognition.

Sally Mercer was born in Pasadena, Texas and moved to Pearland in 2005 when she got engaged to her husband, whom she met on eHarmony. They have been married 12 years and have two boys. She attended Southwest Texas State University (now Texas State), graduating Cum Laude with a Bachelor of Arts in International Studies with Spanish & Business minors and selected as the LBJ Outstanding Senior.

Sally's professional background began in the oil & gas industry and morphed into event planning, activating sponsorships, and volunteerism through her charity work. One year after she married, she started as a CSR/producer for her father-in-law in order to learn the insurance business; the plan was to operate the agency once he retired, which he did in November 2010. Sally has her property & casualty license, life & health license and Series 6 & 63 licenses.

Sally's agency is a one-stop shop for all your insurance needs. She offers home/renters, seasonal, landlord, windstorm, flood, auto, umbrella, RV/ATV/boat/jet ski/golf cart, motorcycle, life and small business/commercial insurance. Collectible car, various bonds and builder's risk insurance is also available, among others.

Sally offers notary services to her clients free of charge. In 2013, she created the annual Jim Mercer Scholarship in honor of her father-in-law & as a thank you to her clients. 2018 marks her agency's 40th Anniversary serving Pearland and surrounding areas and occurs in conjunction with Farmers Insurance's 90th Anniversary.
