*The mission of the American Business Women's Association is to bring together businesswomen of diverse occupations and to provide opportunities for them to help themselves and others grow personally and professionally through leadership, education, networking support, and national recognition.*

Daphne uses plain English when speaking about how the lack of financial literacy is hampering women from living their best financial lives. She presents financial concepts made practical, steps her audience can take to avoid common mistakes in protecting and growing their money.

Whether speaking to singles, young families, Gen-Xers facing retirement or retirees looking to leave a legacy, TheSmartMoneyChick is a resource for women living their best financial life.

Daphne runs TSMChick which specializes in one on one consulting educating women to protect current income, pay less in taxes and limit market risk. As a Licensed Financial Professional she has worked successfully with clients to devise detailed plans to reach their financial goals. She has vast experience across public and private sectors, serving as a Marine Corps Officer and in corporate America.

Daphne received her Bachelor Degree from Texas Southern University and a Master in Business Administration from Keller Graduate School of Management.
